Gare du Nord to Bastille by Metro Paris Forum Tripadvisor

April 28th, 2020 - From Gare du Nord to the platform of Metro line 5 you have to go down two levels The first flight down is quite long but there

is a down escalator The second flight is stairs only but maybe only 20 steps At Bastille I don t think there is an escalator at the exit you need

so two or three flights of stairs to go up If stairs are the real issue then bus 91 is probably better as the area''Gare au yti N 13 ca Stilton Geronimo Books
