The physical distance is 1,000 miles of difficult and often treacherous water which Raban navigates solo in a 35 foot sailboat" **passage to Juneau a sea and its meanings on apple books**

May 7th, 2020 - passage to Juneau is not a travel thriller. The trip is hazardous, but that's not the point. Instead, Raban takes us on a journey of contemplation, literature, lore, mythology, and science. We learn about the canoe culture of the Northwest Indians, the British ship *Discovery* which traveled the same route in 1792, and the physics of waves and turbulence, to name just a few of his far-ranging

' passage to Juneau a sea and its meanings by Jonathan
