, agapitos late antique or early byzantine the shif scribd

april 14th, 2020 - the aim of the paper is twofold on the one

hand it examines the epistemological reasons behind the shifting

beginnings of byzantine literature a shift that covers a period

of four centuries ad 300 700 as well as the methodological problems for the study of byzantine literature resulting from the rise of late antiquity as a new historical period and a new field of studies on the other,
