

Open Closed Open Poems English Edition By Yehuda Amichai

In poems marked by tenderness and mischief, humanity and humor, Yehuda Amichai breaks open the grand diction of revered Jewish verses and casts the light of his own experience upon them. Here he tells of history, a nation, the self, love, and resurrection. Amichai's last volume is one of meditation and hope, and stands as a testament to one of Israel's greatest poets. Open closed open. Before we are born, everything is open in the universe without us. For as long as we live, everything is closed within us. And when we die, everything is open again. Open closed open. That's all we are.—from "I WASN'T ONE OF THE SIX MILLION: AND WHAT IS MY LIFE SPAN? OPEN CLOSED OPEN".
