

Pã â Diatrie By Marc Bellaã Che

"Cette nouvelle édition a été revue en fonction du nouveau programme pour l'IECN. Comme toujours, nous avons inclus les dernières nouveautés et recommandations en Pédiatrie (en particulier celles de l'HAS et du Collège National des Pédiatres Universitaires - CNPU). Ce manuel n'est pas un livre d'enseignement destiné à être performant en pédiatrie, mais un ouvrage destiné à être performant dans votre aptitude à répondre aux QRM de pédiatrie. Notre objectif est docimologique (discipline scientifique consacrée aux évaluations et à la technique des examens). Ceci est notre seule ambition... Que vous réussissiez en rang utile pour faire la spécialité de votre choix dans le lieu de votre choix". Dr Marc Bellaïche. dict cc Pdiatrie English Italian Dictionary.
