

Trend Following 5th Edition How To Make A Fortune In Bull Bear And Black Swan Markets By Michael W Covel Joel Richards Michael Covel

Trend Following

Want to take the financial journey to a new investing philosophy that might very well affect the rest of your moneymaking life? No one can guarantee the yellow brick road, but Michael Covel promises the red pill will leave you wide awake. Trend Following reveals the truth about a trading strategy that makes money in up, down, and surprise markets. By applying straightforward and repeatable rules, anyone can learn to make money in the markets - whether bull, bear, or black swan - by following the trend to the end when it bends. In this timely reboot of his best-selling classic, Michael Covel dives head first into trend following strategy to examine the risks, benefits, people, and systems. You'll hear from traders who have made millions, and learn from their successes and mistakes - insights you'll only find here. You'll learn the trend philosophy and how it has performed in booms, bubbles, panics, and crashes. Using incontrovertible data and overwhelming supporting evidence, with a direct connection to the foundations of behavioral finance, Covel takes you inside the core principles of trend following and shows everyone, from brand new trader to professional, how alpha gets pulled from the market. His newest edition has been revised and extended, with seven brand new interviews and research proof from his one-of-a-kind network. This is trend following for today's generation. If you're looking to go beyond passive index funds and trusting the Fed, this cutting-edge classic holds the keys to a weatherproof portfolio. **PLEASE NOTE: When you purchase this title, the accompanying reference material will be available in your My Library section along with the audio.**
