

# When Helping Hurts How To Alleviate Poverty Without Hurting The Poor And Yourself By Steve Corbett Brian Fikkert

"Buchrückseite **Good Intentions Are Not Enough** Unleashing and equipping people to effectively help the poor requires repentance and the realization of our own brokenness. When Helping Hurts articulates a biblically based framework concerning the root causes of poverty and its alleviation. **A path forward is found, not through providing resources to the poor, but by walking with them in humble relationships.** Whether you're involved in short-term missions or the long-term empowerment of the poor, this book helps teach you three key areas: **Foundational Concepts** Who are the poor? **Principles** Should we do relief, rehabilitation, or development? **Strategies** How can we help people effectively here and abroad? Über den Autor und weitere Mitwirkende Steve Corbett is the Community Development Specialist for the Chalmers Center at Covenant College and an Assistant Professor in the Department of Economics and Community Development at Covenant College.
