

Lisette Model By Lisette Model Berenice Abbott

Lisette Model is an unsurpassed introduction to one of the twentieth century's most significant photographers—a woman whose searing images and eloquent teachings deeply influenced her students Diane Arbus, Larry Fink, and many others. To mark the twenty-fifth anniversary of her death in 1983, Aperture is reissuing this classic 1979 monograph. The first book ever published on Model, it is being produced in the original oversize format and with the original distinctive design by Marvin Israel, with an updated chronology and bibliography..
