

The Pandemic Century One Hundred Years Of Panic Hysteria And Hubris By Mark

The Pandemic Century One Hundred Years Of Panic Hysteria And Hubris By Mark Honigsbaum

"Pressestimmen Offers a mixture of gripping storytelling and insightful science....Alternately chilling and optimistic, Honigsbaum's reporting on a recurrent public health issue deserves wide attention.Lively, gruesome, and masterful....Honigsbaum mixes superb medical history with vivid portraits of the worldwide reactions to each [pandemic] event.--Kirkus (starred review)Engrossing....Combining history, popular science, and policy, [Honigsbaum] describes each pandemic with journalistic immediacy....An important and timely work.--Booklist (starred review)An engaging and thoughtful journey through some of the world's greatest medical and social crises in recent decades. Honigsbaum is a worthy historian and guide to these dramatic reminders of human fallibility.--David L. Heymann, Professor of Infectious Disease Epidemiology, London School of Hygiene and Tropical MedicineInfectious diseases remain among the most urgent health threats we face, but too often are considered something that happens to other people, far away. In our interconnected world, this is no longer true, as Honigsbaum shows. His unique account drives home the human impact of epidemics, and the need for increased

The Pandemic Century: One Hundred Years of Panic, Hysteria, and Hubris By Mark

preparedness.--Jeremy Farrar, Director of the Wellcome

TrustGripping.--Barbara Kiser[A] riveting, vivid history of modern disease outbreaks....A fascinating account of a deeply important topic--for if the past 100 years have taught us anything, it is that new diseases and viral strains will inevitably beset us, no matter how sophisticated science becomes.--Robin McKieA lively but less than reassuring read for those on exotic travels.--Anjana Ahuja

Ãœber den Autor und weitere Mitwirkende **Mark Honigsbaum** is a medical historian, journalist, and author of five books including *The Pandemic Century: One Hundred Years of Panic, Hysteria, and Hubris* and *The Fever Trail: In Search of the Cure for Malaria*.
