

One Day In Wonderland A Celebration Of Lewis Carroll S Alice By Kathleen Krull Julia Sarda

A joyful, playful celebration of Lewis Carroll's love of language combined with an introduction to his life and the origin of Alice's Adventures in Wonderland, exquisitely illustrated by Julia Sarda. The wordsmith Lewis Carroll is famed for the freewheeling world of Wonderland in his beloved classics Alice's Adventures in Wonderland and Through the Looking Glass. In this gloriously illustrated book, Carroll's childlike love of life is showcased alongside his brilliance at creating and adapting playful words and phrases. From brillig and uglification to frumious and chortle, the award-winning author Kathleen Krull uses many of Carroll's own words to tell the story of a man who wanted to make children laugh and whose legacy continues to entertain and delight. There is a glossary of Carroll's invented words at the back of the book. Julia Sarda's striking illustrations offer an interpretation of Lewis Carroll's work that is faithful to the spirit of his writing and the look of the real life Alice. Packed with rich and surprising details, Julia's artwork makes this a stunning book to treasure.
