

The Museum Of Extraordinary Things By Alice Hoffman

"Pressestimmen 'In 'The Museum of Extraordinary Things', Alice Hoffman mounts an arresting display: a New York City tale rich with literary inspiration, history, and urban legend. Readers often talk about being immersed in novels; this is a satisfying swim in tidal waters. Take the plunge.'--Gregory Maquire, author of Wicked and Out of Oz'As always, Alice Hoffman amazes me with her ability to use words the way other master artists use watercolors, painting the dreamlike world of a girl who grows up in a hall of wonders only to learn that something as ordinary as love is the greatest marvel of all. Many novels these days are called 'stunning' but this one truly IS: part love story, part mystery, part history, and all beauty.'--Jodi Picoult, author of The Storyteller and Lone Wolf'Beautiful, harrowing, a major contribution to twenty-first century literature.'--Toni Morrison, Nobel Laureate in Literature, on The DovekeepersAlice Hoffman understands and delivers the ordinary and the extraordinary in this contemporary novel of the past. As always, her powerful, elegant prose embraces tremendous passion with constant, clear-eyed compassion. --Amy Bloom, author of Away"Alice Hoffman understands and delivers the ordinary and the extraordinary in this contemporary novel of the past. As always, her powerful, elegant prose embraces tremendous passion with constant, clear-eyed compassion.'--Amy Bloom, author of Away'Hoffman's book earns its legitimacy through an eye-opening plethora of period detailing, coupled with the author's overarching outrage at urban workplace abuses....You can't help but admire the author's fervor for telling stories and the democratic manner in which she disseminates the love of reading.'--Jan Stuart 'The Boston Globe "A lavish tale about strange yet sympathetic people, haunted by the past and living in bizarre circumstances... Imaginative...Once Coralie and Eddie discover each other, their profound, mystical attraction and mutual obsession become forces of their own, driving the story forward.'--Katharine Weber 'The New York Times Book Review "Spellbinding... Hoffman's penchant for the magical is on full display in this world filled with rogues, strivers, corrupt politicians, Gilded Age riches and debilitating poverty. The chaos and grandeur of New York City at the time make it a character in its own right, as monstrous and intoxicating as the circus sideshow that traps Coralie and makes her a star.'--Andrea Walker 'People "The year 1911 had an apocalyptic feel in New York City as fire devastated the Triangle Shirtwaist Factory in Greenwich Village and destroyed the amusement park Dreamland that rose above Coney Island. Manhattan wasn't yet entirely tamed by concrete and people still believed in the fantastical. Alice Hoffman, whose brand of magic realism really should have a patent pending, makes lovely work of the era in her new city-centric novel, The Museum of Extraordinary Things.'--Sherryl Connelly 'New York Daily News "Hoffman masterfully creates two characters of depth and emotion in Eddie and Coralie....[She] does not disappoint .'--Amanda St. Amand 'The St. Louis Post-Dispatch ' Autorenkommentar Alice Hoffman wrote her first novel, Property Of, when she was 21. She has published a total of 28 works of fiction, including Practical Magic which was a major film starring Nicole Kidman and Sandra Bullock. Alice Hoffman now lives in Boston. Alle Produktbeschreibungen".
