

The Dead Commando The Glasshouse Gang Book 3 English Edition By Gordon Landsborough

They drove in out of the desert and took the isolated fortress before the Italian garrison could resist. Then the operation went wrong, and the Germans moved in. With the Allied armies on the move to El Alamein, Rommel could not risk an enemy-held strongpoint in his rear. But no one on the British side was going to lift a finger to save the seventeen men of John Offer's Glasshouse Gang. They had only one hope of survival: they'd be dead men or prisoners if they held out in Fort Telatha, but if they could slip out before the balloon went up, who would know if they were alive or dead? Praise for Gordon Landsborough "An exciting, tough, fast and moving novel" – *Times Literary Supplement* "It has everything...supremely good characterisation, descriptive brilliance, and masterly in its simplicity" - *Birmingham Post* "A punchy tale coupled with plenty of action - an engaging read!" - *Philip McCormac*
