

## Libã à Rer Sa Voix By Helene Parent

**Tirez le maximum de votre voix et améliorez tous les aspects de votre communication !Une méthode globale et novatrice de coaching vocal.** Guide pratique pour quiconque cherche à améliorer sa voix chantée ou parlée, cet ouvrage propose, après un bref volet théorique sur l'anatomie de la voix, des conseils d'hygiène vocale ainsi qu'une **gamme complète d'exercices comprenant respiration, renforcement musculaire, diction, interprétation et vocalise.** Fruit de trente-trois années d'enseignement vocal auprès d'artistes, d'animateurs, de conférenciers, de chroniqueurs, d'enseignants et d'amateurs, cet outil précieux s'adresse autant aux débutants qu'aux professionnels. **Travailler sa voix chantée ou parlée permet d'acquérir une meilleure projection, une meilleure diction, une meilleure musicalité. La voix est capable de transmettre les émotions les plus profondes,** aussi de mettre en contact de façon plus intime sa voix implique-t-il de prendre conscience des émotions qui sont à l'origine de notre discours. Travailler sa voix, c'est donc apprendre à mieux nuancer sa communication avec l'autre, tant dans le choix des mots que dans le rythme et le registre..
