"L'autore Lena Manta was born in Istanbul, Turkey, to Greek parents. She moved to Greece at a very young age and now lives with her husband and two children on the outskirts of Athens. Although she studied to be a nursery school teacher, Lena instead directed her own puppet theater before writing articles for local newspapers and working as a director for a local radio station. Manta was proclaimed Author of the Year in both 2009 and 2011 by Greek Life & Style magazine. She has written thirteen books, all of them published by Psychogios Publications, including the bestselling *The House by the River*, which has sold almost 250,000 copies and is the first of her books to be translated into English. Hers is a voice to be reckoned with, and each new book is a tour de force in the Greek publishing world. Gail Holst-Warhaft is a poet and translator and has worked as a journalist, broadcaster, prose writer, academic, and musician. Among her many publications are *Road to Rembetika*, *Theodorakis: Myth and Politics in Modern Greek Music*, *The Collected Poems of Nikos Kavadias*, *Dangerous Voices: Women's Laments and Greek Literature*, *The Cue for Passion: Grief and Its Political Uses*, *I Had Three Lives: Selected Poems of Mikis Theodorakis*, and *Penelope's Confession*. She has published translations of Aeschylus and several of Greece's leading novelists and poets. Her poems and translations have appeared in journals in the United States, the United Kingdom, and Australia. Her Kavadias translations won the Van der Bovenkamp award from Columbia University's Translation Center, and her poem "Three Landscapes" won the Poetry Greece Award in 2001. *The Fall of Athens*, her most recent collection of poetry, essays, and stories about Greece, is forthcoming from Fomite Press." home rivervalleyhigh moe edu sg. house on a river artble. house by the river trailer. archer house river inn updated 2020 prices amp hotel. fear for sale the house on black river gt ipad iphone. 2cellos moon river live at sydney opera house. river house by sarahlee lawrence goodreads. studio 1 amp 2 bedroom apartments in broad river house. margaret river property market house prices suburb. house on the river 10 photos venues amp event spaces. jaya house river park siem reap updated 2020 prices. james river house tripadvisor. river house at odette s river house new hope new hope. extinction rebellion activists sail sinking house down. journey house campus ministry a campus ministry serving. the floathouse river kwai. the house by the river by lena manta goodreads. see house collapse in landslide cnn video. customs house on the south australian victorian border. this miami house has an actual lazy river running through it. bentota beach resort river house balapitiya by asia leisure. gallery house on the river. brown university off campus housing river house. river house 577 photos amp 315 reviews yelp. river house adult day center when your family needs our. house by the river. house river kottayam houses in kottayam mitula homes. river house records label releases discogs. watch house by the river prime video. vacation rentals homes experiences amp places airbnb. house at the river concert tour highlands texas. 30 best kanchanaburi hotels in 2020 great savings. a garden cottage on the river small house bliss. the river house. baca architects pletes buoyant house on the river thames. the house by the river manta lena holst warhaft gail. river house apartments in columbus oh. house by the river 1950 rotten tomatoes. dinner menu river house louisville. texas river house home facebook. inspired living river house nashville. river house maine. home river house louisville. frederick house river. the float house river kwai sai yok updated 2020 prices. home jaya house riverpark. jaya house river park hotel review siem reap cambodia. eco protesters extinction rebellion sail a house down the. river retreat house edwards white architects archdaily
