

Goulag By Tomasz Kizny Jorge Semprun

Photographies et documents historiques Outre de nombreux documents photographiques d'archives portant témoignage de la vie dans les camps de 1923 aux années 1960, Tomasz Kizny apporte ses propres photographies, posant sur ces sites désormais en ruines et sur leurs populations hétéroclites un regard d'une étonnante profondeur et d'une rare humanité Il a également rassemblé, dans une vaste collection, des documents historiques d'origines diverses, provenant d'anciens détenus ou administrateurs du Goulag, d'archives privées, mais aussi d'archives conservées par les administrations de l'ex-Union soviétique.
