

The Hana Du Rose Mysteries Collection Books 1 4 A New Zealand Mystery English Edition By K T Bowes

Is she crazy? She's ignoring the threats. But they're coming for her. This just got real. Two strangers meet on a dirty London train. One won't remember. The other will never forget. Hana can't imagine life beyond the train ride. Logan shouldn't even be there. They are prisoners of circumstance. They are both afraid. The strangers hold the key to each other's future and their second meeting will unleash a terrifying chain of events. Hana needs help, but could Logan be part of the problem? What would you do if your life depended on an object you couldn't find? Would you trust a man you hardly knew when everyone around you says he's trouble? Sometimes you just have to risk everything. Or lose it all anyway. Best ever comment about the series; "I read until my eyeballs fell out." If you like mysteries with feisty heroines and a stunning New Zealand backdrop, you'll love this series. Set in a school, the stuff that goes on in the pencil cupboard will surprise you...
