One minute, Caleb Mast is an oil rig roughneck who answers to no one but himself. The next, he's the father of a special needs child he never knew existed. What kind of home can a man like him—without faith or community—provide for an eight year old girl? For little Joy's sake, Caleb returns to the Amish community he left behind years ago. His daughter bonds with Amish school teacher Leah Belier, and Caleb feels hopeful for once. But Leah blames

Caleb for dashing long-ago dreams and can't bear to trust him. With Christmas weeks away, one special girl just may bring two hearts—and an entire community—together.
