"Über den Autor und weitere Mitwirkende Brian and Candice Simmons have been described as true pioneers in ministry. Their teaching gifts have opened doors in many nations to take the message of awakening and revival. For the last forty years they have labored together to present Christ in His fullness wherever God sends them. As a witness firsthand of a revival, which swept through their jungle village where they were serving as missionaries and saw many converted to following Jesus Christ. Brian and Candice were ruined for status quo Christianity. Recently they were inspired to launch a new dynamic version of the Scriptures encompassing the early Aramaic manuscripts along with the traditional Greek and Hebrew texts. A pastor, Bible teacher and linguist, Brian is the author of numerous books and has helped establish a number of ministries."
