 superficially placing large boluses of product in one area or using an inappropriate product.
 Euphoria ju? ? f ??r i ?
 listen is an affective state in which a person experiences pleasure or excitement and intense feelings of well being and happiness
 Certain drugs many of which are addictive can cause euphoria which at least partially motivates their recreational use. Did you know An

octopus does not have a blind spot
 The retina of the octopus

is constructed more logically than the mammalian retina The photoreceptors in the octopus retina are located in the inner portion of the eye and the cells that carry information to the brain are located in the outer portion of the retina.

What do I want my students to learn and how are they going to demonstrate what they've learned
