

The Wrong Costar The Wrong Match Book 2 English Edition By Alexandra Moody

When Teagan lands the lead in her school play, the last thing she expected was for Hollywood heartthrob and notorious bad-boy Liam Black to be cast as her costar. The whole school is buzzing with his arrival, but she couldn't be more annoyed. How can she possibly shine on stage when the limelight is focused entirely on him? Liam might be at Lincoln High to prepare for his next movie role, but just because he can act doesn't mean he's the perfect guy for the part. He's got a bad reputation. He doesn't take their play seriously. And, worst of all, he and Teagan can't stand each other. They'll have to learn to work together if they want the play to be a success, but the more time they spend together the harder it is to ignore the sparks flying between them on stage. Good chemistry is just a part of acting though. Teagan and Liam are only pretending. Right?
