

Betting System Secrets The Each Way Back And Lay English Edition By John Duncan

Betting systems come and go. Winning betting systems are rare and to find a winning betting system that has stood the test of time is almost unheard of. The each way back and lay system has continued to work and work well for many years and still produces profit. This is not something you will have seen before even if it sounds familiar. This is my own unique slant on a very low risk yet still highly profitable and enjoyable way to make some extra tax free cash. This book covers a take on the system that I have only ever revealed before at a seminar. If you want to know how to make horse racing bets with good profit yet vastly reduced down-side risks then this book is for you. Perfect for the novice and for the seasoned veteran. One will be introduced to a way to start betting with less risk of loss than they otherwise would experience and the other will instantly see a better way to do something they thought they understood. Whichever camp you fall into, you will be pleased that you read this book. It's simple, quick to instigate and highly rewarding and a must as an addition to anyone's armoury if they like a bet on the horses.
