

Hawaii S Floral Splendor A Friendly Colour Identification Guide To Native And Introduced Flowers Of All The Hawaiian Islands By Angela Kepler

An authoritative, readable book written by a field naturalist, Hawaii's Floral Splendor brings alive the kaleidoscopic floral bounty that beautifies the island's roadsides, parks, resorts, public gardens, beaches, and interior forests. The book's 388 species and varieties, lavishly illustrated, covers a dazzling array of flora, some native also to other Pacific Islands, some unique to Hawaii. Included are color identification keys and a comprehensive list of protected areas and botanical gardens..
