

## Sin And Redemption Bloom S Literary Themes By Blake Hobby

"Reseña del editor The allied themes of sin and redemption are at the heart of many classics of religious literature, and even secular writers feel compelled to explore the role of sin and redemption in such works as King Lear, Moby-Dick, Paradise Lost, The Portrait of a Lady, The Waste Land, and many more works.. Featuring original essays and excerpts from previously published critical analyses, this addition to the Bloom's Literary Themes series gives students valuable insight into the title's subject theme.
