

A Perilous Bargain Edgecliffe Manor Mysteries Series By Jane Peart

"Der Verlag Ã¼ber das Buch **Bopok Description**Jane Peart captivated readers with the best-selling 'Web of Deception' and 'Shadow of Fear', the first two novels in the Edgecliffe Manor Mysteries series. These wonderful stories showcased Peart's blend of romantic storytelling and gothic suspense, paving the way for book three, 'A Perilous Bargain'. Settle in by the fire with a cup of Irish tea as Peart takes you to the misty cliffs of Ireland for an unforgettable tale of love and intrigue. Oriel Banning is desperately seeking employment after her previous employer cheats her and leaves her stranded in England. So when Morgan Drummond, a shipboard acquaintance, makes a highly unorthodox proposal, Oriel is compelled to agree to his strange bargain. Together they travel to a castle in Ireland, where the terms of the agreement will be carried out. Despite Morgan's remoteness toward her, Oriel decides to make the best of things. She pursues a friendship with a handsome poet, Bryan Moore, and the Wicklows next door, and falls in love with the verdant Irish countryside and wild, untamed coastline. But when a series of frightening events occur, Oriel becomes convinced that she is not welcome at Drummond Castle. As she fights her mysterious enemy, she also fights her growing romantic feelings. Was agreeing to this perilous bargain the worst mistake she has ever made? Jane Peart is a prolific author of romantic fiction who lives in Fortuna, California.
