

The Roaring 2000s Building The Wealth And Lifestyle You Desire In The Greatest Boom In History How To Achieve Personal And Financial Success In The Greatest Boom In History By Harry S Dent

"Amazon.de Dieser Titel ist in englischer Sprache. Neues vom Lieblingsoptimisten Amerikas. Harry S. Dent Junior wurde durch sein 1992 veröffentlichtes Buch *The Great Boom Ahead* bekannt. Obwohl die US-amerikanische Wirtschaft damals stagnierte, abspecken auf der Tagesordnung vieler Firmen stand und der Reallohn sank, prophezeite Dent den USA ein baldiges explosives Wirtschaftswachstum und einen gesunden Anstieg der Aktienpreise. Seine Prognosen fanden damals kaum Beachtung, insbesondere nicht bei den Medien, die anscheinend generell lieber über negative Schlagzeilen berichten. Nachdem sich seine Prognosen mehr oder weniger bestätigt haben, hat Dent jetzt ein neues Buch mit dem Titel *The Roaring 2000s* veröffentlicht: Das Beste stehe uns erst noch bevor, so die zentrale These des Buches. Wie in seinem ersten Buch findet der Leser in *The Roaring 2000s* eine Menge interessanter und inspirierender Gedanken, und auch in seinem neuesten Buch sind diese nicht immer besonders überzeugend. Dent ist weiterhin der Meinung, dass die Bevölkerungsentwicklung eines Landes über dessen Zukunft entscheidet. In *The Great Boom Ahead* prophezeite Dent den USA ein Wirtschaftswachstum, hervorgerufen durch ein gesteigertes Kaufverhalten der älter werdenden Babyboomer (die der Wachstumskurve einen deutlichen Ausschlag bescherten), die sich heute im mittleren Alter befinden. Da die Amerikaner statistisch gesehen mit ca. 46 Jahren am meisten kaufen, so Dent, werden diese Babyboomer für weitere zehn Jahre die Wirtschaft ankurbeln. Der Boom werde zudem noch durch die erhöhten Einwanderungszahlen der letzten 20 Jahre gesteigert werden. Die technologischen Veränderungen werden ebenfalls eine wichtige Rolle spielen. Dents Meinung nach bräuchten der PC und das Internet enormen ökonomischen Profit ein, dessen wahres Ausmaß wir erst ansatzweise erkannt hätten. Der Dow-Jones-Index werde auf mindestens 21.500, möglicherweise sogar auf 35.000 Punkte bis zum Jahre 2008 ansteigen. Seinen Lesern empfiehlt Dent daher den frühzeitigen Kauf des Eigenheimes, da die Babyboomer auf der Suche nach dem geeigneten Lebensstil schon bald scharenweise in die Dörfer und in ländliche Gegenden strömen werden, was zu einem rapiden Anstieg der Immobilienpreise führen werde. Allerdings sollten Sie sich auch nicht zu sehr an ihr Hauschen auf dem Lande oder ihre Aktienmappe gewöhnen, denn ein blauäugiger Optimist im Sinne von Voltaires Dr. Pangloss ist Dent nun doch nicht. In gerade mal zehn Jahren käme es zu einem allmählichen Abklingen des Booms. Die gealterten Babyboomer werden es sich dann erst vor ihren interaktiven Fernsehern gemütlich machen, um nach und nach gemeinsam mit Jimi Hendrix und Janis Joplin das große himmlische Woodstock-Festival zu zelebrieren. Die Verbraucherausgaben werden zurückgehen, das Wirtschaftswachstum werde sinken, und als Folge werde eine Deflation einsetzen, die zu einem Preisverfall der Grundstücks- und Aktienpreise führen werde. Dent empfiehlt daher den Verkauf von Eigentum und Aktien im Jahre 2006, und in Erwartung niedriger Zinsraten den Erwerb von Bundesschatzbriefen. Dent gesteht einige vergangene Fehleinschätzungen ein. So erwartete er eine weitaus gravierendere Rezession Anfang der 90er Jahre. Auch habe er den Aktienboom der Folgezeit unterschätzt. Dennoch werden Sie in *The Roaring 2000s* bis auf wenige Ausnahmen keinerlei Anzeichen von Ungewissheit über die Zukunft finden. Dents knappe Art, die Dinge, die eigentlich niemand mit Sicherheit wissen kann, auszudrücken, macht ihn zu einem Meister des einfachen Aussagesatzes. Bei eher nachdenklichen Lesern mag seine Orakelhaftigkeit zwar auf Skepsis stoßen, doch geht es hier auch um etwas ganz anderes. Die Ideen Dents sollten vielmehr als Provokationen aufgefasst werden. Sie sind interessante Andeutungen, die unseren Sinn für das Mögliche erweitern. Sie sind auch ein gesundes Gegengewicht zu den finsternen Inhalten der Tagespresse.

--Barry Mitzman Synopsis Discusses upcoming economic, technological, and demographic trends for the beginning of the twenty-first century.
