

Droit Pã â Nal Spã â Cial By Valã Rie Malabat

Cette branche du droit pénal étudie les différentes infractions, leurs éléments constitutifs, les modalités de leur répression. Chaque infraction devant être incriminée et définie par un texte, en application du principe de la légalité criminelle, l'étude de ces textes et de chaque infraction est primordiale pour l'universitaire comme pour le praticien. En un seul ouvrage, qui s'adresse aux étudiants en droit (licence, master) et aux candidats aux concours (CRFPA, commissaire de police, ENM) : un cours complet sur les principales infractions ; des compléments pédagogiques qui facilitent leur compréhension et préparent à l'examen. L'ouvrage comporte une présentation entièrement refondue des réformes récentes relatives, d'une part, à la prévention et la répression des violences au sein du couple ou commises contre les mineurs et, d'autre part, à la prévention de la délinquance. Le cours, actualisé en juillet 2009, prend notamment en compte les nouvelles dispositions sur le patrimoine et sur le droit de la presse..
