This is also one of the aspects by securing the digital documents of this **Longbow The Saga Of Roland Inness Book 1 English Edition By Wayne Grant** by online.

Roland Inness is a peasant boy with an unusual talent—and a secret. He has learned the art of making a longbow and the skill to use it with deadly accuracy. Why must this be kept hidden? The Normans rule England with their armored knights and a well-aimed longbow can pierce that armor. Possession of the weapon is a hanging offense and when Roland takes the wrong deer on the wrong Lord's land he has to flee for his life. His flight will take him from the high hills of the English midlands to the wild frontier with Wales and on to the court of Richard the Lionheart. Along the way he is hunted by a paid killer, aided by a strange monk named Tuck, and taken in by a gruff Norman knight, who values his skill with the bow. That skill and his courage will be sorely tested as he fights to earn the trust of his new master. As King Richard celebrates his coronation, Roland faces old enemies he thought he had left behind and must test his skill at a royal archery tournament against the greatest bowmen in England, to include the favorite, Sir Robin of Loxley. A mix of history, myth and high adventure, Longbow follows the journey of Roland Inness as he seeks to find a place for himself in a restive

kingdom and become a man in a brutal age. The Saga of Roland Inness series begins with the tale of a fourteen-year-old boy who has extraordinary skill with a longbow. It is a story of courage, loyalty, honor and treachery. Most of all, it is a story of high adventure set in a time so filled with drama it has spawned legends that fascinate people to this day. It is the time of Richard the Lionheart, Robin Hood, Eleanor of Aquitaine and William Marshall, legendary figures all--some real and some fictional. The first four books in the saga--Longbow, Warbow, The Broken Realm and The Ransomed Crown tell the coming-of-age story of the young archer. A Prince of Wales, the fifth in the series, follows Roland Inness as he leads the legendary Invalid Company into Wales to help Llywelyn the Great win a throne. The sixth book in the series, Declan O'Duinne, set in Ireland, was released in November, 2018 and a new Roland Inness adventure will be published in late summer, 2019. If you would like to know more about the author or get updates on new books, visit his webpage at www.waynegrantbooks.com or the Longbow Facebook page, www.facebook.com/Longbowbooks/ .
