"Reseña del editor Lion, Tiger, and Bear, oh my! In Locust Grove, Georgia, an American black bear named Baloo, a lion named Leo, and a Bengal tiger named Shere Kahn all live happily together. The three animals were rescued over twelve years ago and brought to live at Noah&s Ark Animal Sanctuary. The trainers there tried to separate the trio for fear that fights would break out. The animals did start acting out&but only until they were reunited in the same pen. This true story of unlikely friendship is filled with photographs supplied directly from Noah&s Ark Animal Sanctuary. Biografía del autor Kate Ritchey is a slightly animal-obsessed writer and editor. She lives in Boston, Massachusetts."
