"Reseña del editor Sherman and the crew are back, living life in their beloved lagoon as they deal with problems that sound all too familiar to us land-dwellers. But they're not the only ones to call this corner of the tropics their home. There's Arturo, the ninja lanternshark who briefly becomes Sherman's guru and mentor. Boris the fish-eating spider, who's really not so bad once you get to know him. A gang of obnoxiously sassy water bears. And one undersea spaghetti monster with a wit that cuts deeper than the Mariana Trench. Biografía del autor Jim Toomey was born and raised in Alexandria, Virginia. He launched Sherman's Lagoon in 1991 and was picked up by Creators Syndicate later that year. An engineer, a philosopher, a surfer, a scuba diver, and a sailor, Toomey lives in Annapolis, Maryland, with his wife and daughter. He has been twice awarded the Environmental Hero Award, given by the National Oceanic and Atmospheric Administration ""for using art and humor to conserve and protect our marine heritage.""
