But jung recognises that the process of individuation in a fundamentally religious notion in the process of individuation the masks of the self are stripped away to uncover the true self the discovery of the self through the process of individuation leads naturally to jung s attitude to the notion of god. Individuation itself occurs as a process but in that which the operation requires before it can exist that is a matter and a form here the principle is thought to be contained either in the matter or the form because the actual process of individuation is not thought to be capable of furnishing the principle itself but simply of putting it into effect.

Liberalism political doctrine that takes protecting and enhancing the freedom of the individual to be the central problem of politics liberals typically believe that government is necessary to protect individuals from being harmed by others but they also recognize that government itself can pose a threat to liberty as the revolutionary american pamphleteer thomas paine expressed it in
