This is a story you'll read with your heart in your throatâ€”Lauren DeStefano, New York Times bestselling authorâ€”A heart-pounding story of love and loss, with the most original world-building Iâ€™ve read all year. Deeply felt and deeply moving, I could not put it downâ€”Margaret Stohl, New York Times bestselling author of BEAUTIFUL CREATURESâ€”This electric debut is a pulse-pounding, action-packed Romeo and Juliet story in a richly imagined world with a great twist and heroic characters youâ€™ll root for and wonâ€™t stop thinking aboutâ€”Melissa de la Cruz, New York Times bestselling author of FROZEN and THE RING AND THE CROWNâ€”AN EMBER IN THE ASHES is a spectacular page turner that asks readers to consider how far theyâ€™d go to save the ones they love. When Laia's grandparents are brutally murdered and her brother arrested for treason by the empire, the only people she has left to turn to are the rebels. But in exchange for their help in saving her brother, they demand that Laia spy on the ruthless Commandant of Blackcliff, the Empire's greatest military academy. Should she fail it's more than her brother's freedom at risk . . . Laia's very life is at stake. There, she meets Elias, the academy's finest soldier. But Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined - and that their choices will change the fate of the Empire itself. There, she spent her time devouring fantasy novels, raiding her brother's comic book stash, and playing guitar badly. She began writing An Ember in the Ashes while working nights as a newspaper editor. She likes thunderous indie rock, garish socks, and all things nerd.
